## SJI Hunters & Anglers Photo Contest and More

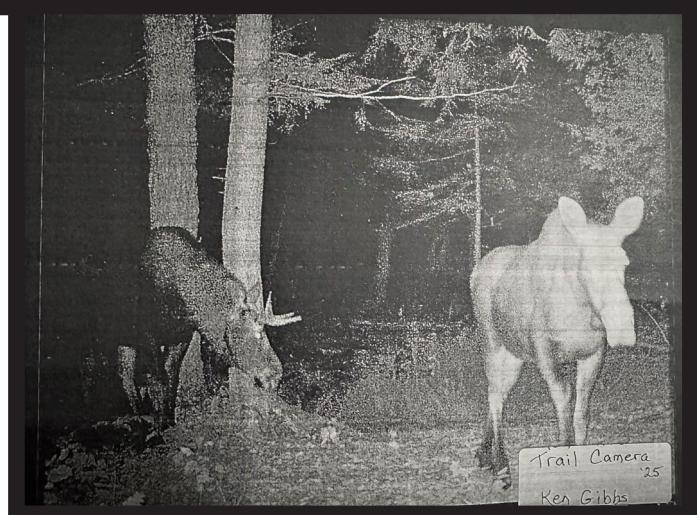

Recently The St. Joseph Hunters & Anglers Club held their annual photo contest and were kind enough to share the winners with us.

**The Annual Community Christmas Potluck and Photo Contest :** For over 15 years, the first Saturday of December has been the annual date of the Hunters and Anglers Community Christmas Potluck and Photo Contest. The Potluck kicks off the holiday season for Club members, family, friends and neighbours. The evening is a time of comradeship and the trading of stories, sometimes embellished, that speak of the shared passion that members and friends have for the outdoors.

The Club meeting room is transformed to a holiday coziness by the Christmas décor and the cheery fire. The meal, a potluck of delectable dishes, is the focal point of meeting new friends and getting together with the Club and community.

Following the dinner, all present are invited to vote on the photos submitted by members who enter photos in a friendly competition with their fellow members. The photo contest was initiated by Terry Wills, a talented photographer and artist, and a long-time member of the Club..

The evening gradually winds down, often after some games and with continued relaxed visits. The photo categories included : Youth hunting / fishing, adult hunting / fishing, scenery, wildlife and trail cam.

Founded in 1982, the club is one of the largest on the island, and the largest club of it's kind in Algoma with approximately 225 members. The photo contest was voted on at their club house on 20th side road during the annual pot luck. All photos are on display at the clubhouse, with older entries archived in albums. The clubhouse itself is actually quite massive and sits on 84 acres.

The club hosts many events, there and throughout the island and surrounding areas year round. Upcoming is the sold out wild game dinner which, and towards the end of winter the ever popular Ernie Eddy Memorial Children's Ice Fishing on Twin Lakes. They also have monthly meetings at their club house which are often have guest speakers and are open to the public as well as many more family friendly events throughout the year. up their ever popular Deer Tail pastries at many of the large summer events on the island.

Naturally when you hear the name you think about "Hunting and Angling" but really the club does so much more than that. The objectives of the St. Joseph Island Hunters and Anglers Association are:

To provide opportunities to discuss and develop means of promoting good management of fish and wildlife populations.

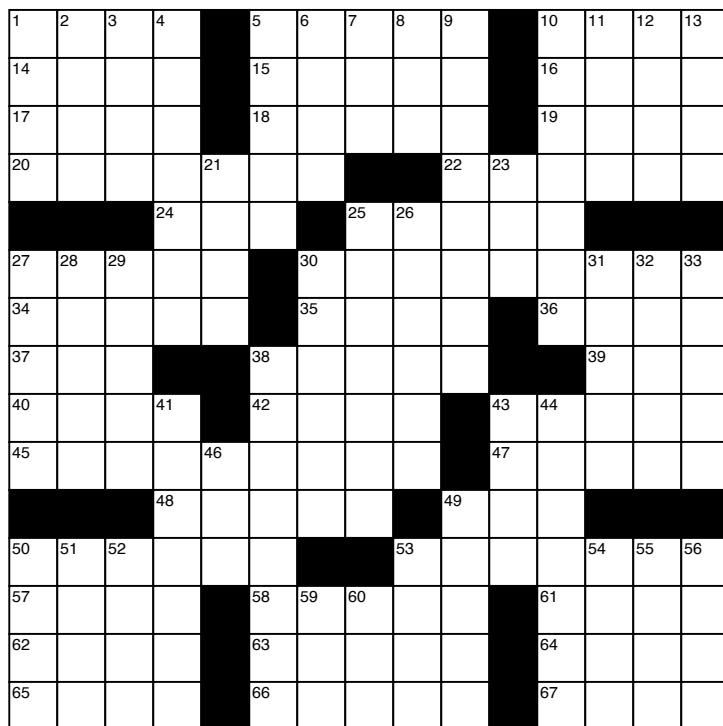

To encourage better understanding and appreciation of wildlife and other components of the ecosystem through education and public awareness.

To create an effective means of communication with agencies responsible for wildlife management (in particular the Ontario Ministry of Natural Resources) so that the municipalities and landowners may participate in the development of effective fish and wildlife programs.

Thank you to Stan and Carmen for providing the photos and information on the club. If you would like to learn more about the club, watch for information on their monthly meetings in the announcements section.

There won't be any bad ones, that's for certain!
