## Lions Club Funds Rescue Equipment

The St. Joseph Island Lions Club hosts events all over the island throughout the year. Funds raised from events often go towards important things in the community such as hospital donations, psw care and helping out the local fire departments. Recently, the club funded a purchase for the Township of St. Joseph Fire and Rescue in the form of a stoke, a back/floating board for water and ice rescue.

This donation has the potential to save someone's life and keep the fire and rescue crew safe while perform-

ing a rescue. Fire Chief Duncan Rydall gave a presentation on the device for club members.

The Lions Club are always looking for new members to help with their many activities, but you can also help by attending their events.

Their monthly pancake breakfast is this Sunday in Hilton Beach, with the proceeds going to things like this throughout the community. So if you need an excuse for all you can eat pancakes, the money goes to a good cause!

**\*\*\*PRESS RELEASE\*\*\***

[Richards Landing ON] On May 7, 2026, Just Passin' Through Concerts features 6x Canadian Folk Music Award winners and 3x JUNO nominees Sultans of String at the Old Town Hall in Richards Landing (<https://stjosephtownship.com/recreation-and-leisure/festivals-and-events/>).

Led by Queen's Diamond Jubilee Medal recipient Chris McKhool, these revved up roots string wizards are an "energetic and exciting band with talent to burn!" (Maverick Magazine UK). Thrilling their audiences with their genre-hopping passport of Celtic reels, Django-jazz, Flamenco and Middle Eastern rhythms, Sultans of String celebrate musical fusion and human creativity with warmth and virtuosity. Fiery violin dances with rumba-flamenco guitar, while bass and nyckelharpa lay down unstoppable grooves. Throughout, acoustic strings meet electronic wizardry to create layers and depth of sound.

Together their music tells stories of Canada featuring such majestic sights as the wild horses of Sable Island; Luna, the orca off the West coast; a sunrise in the Arctic Circle's Auyuittuq Park, an East Coast kitchen party, and more!

McKhool comes by global music through deep ties to his ancestry – his father's name would have been pronounced Makhoul in ancestral Kfirmishki Lebanon, and his Egyptian-born mother happened to play piano, teach classical theory and feed her young son as much music instruction as she did Middle Eastern cuisine. From there, the powerful violinist developed a taste for multi-genre string sounds and found a like-minded crew of all-world enthusiasts. When McKhool first heard the rumba rhythm of founding guitarist Kevin Laliberté (Jesse Cook), their musical synergy created Sultans of String's signature sound – the intimate and playful relationship between violin and guitar. From this rich foundation, the dynamic duo grew, featuring such amazing musical friends as the virtuosic nyckelharpa playing of Saskia Tomkins (Celtic music consultant for the Broadway hit Come From Away).

"Chris McKhool and the boys are fantastic!"

Bob Ezrin (Producer, Pink Floyd, Peter Gabriel)

"Your set was sensational. Loved it."

(The Late) Peter Yarrow (Peter, Paul & Mary)

"Sultans of String are one of Canada's hottest musical exports, dynamically embodying their homeland's values of tolerance and respect for diverse cultures."

**120th Anniversary Countdown Begins**

This summer St. Boniface Church will celebrate its 120th anniversary — a remarkable milestone in the life of our parish. Throughout the coming months, we will be marking this occasion with special events and activities, all centred around the theme of 120, Rooted in Faith, Growing in Community.

As we look back with gratitude, we are gathering photos, memories, and stories from parishioners (past and present)— special moments including sacraments celebrated here at St. Boniface. If you or your family have any to share, please send them to our email [stboniface@ssmd.ca](mailto:stboniface@ssmd.ca) We hope to create a beautiful historic anniversary album for all to enjoy.
